

A close-up photograph of a clear glass filled with water. A stream of water is being poured into the glass from the top left, causing the water to overflow and spill over the rim. The water is captured in motion, with many small bubbles and droplets visible. The background is a soft, light blue gradient.

Spiritual Fullness
Filled to overflowing

**We are half-hearted creatures
fooling about with drink and sex
and ambition**

**when infinite joy is offered us
Like an ignorant child who wants
to go on making mud pies in a slum
because he cannot imagine
what is meant by the offer of
a holiday at the sea
we are far too easily pleased**

C S Lewis

Jesus is everything we need

**See to it that no one
takes you captive
through hollow and deceptive
philosophies
which depends on human
tradition and the elemental
spiritual forces of this world
rather than on Christ**

authority and power**

Colossians 2:9,10

Jesus has done everything you need

You were dead because of your sins and because your sinful nature was not yet cut away

**Then God made you alive with Christ. He forgave all our sins
He cancelled the record that contained the charges against us
He took it and destroyed it by nailing it to Christ's cross**

Colossians 2:13,14

Jesus has done everything you need

**Having disarmed
the powers and authorities
He made a public spectacle
of them
triumphing over them
by the cross**
